

A circular opening in a metallic tunnel, possibly a ship's hull, looking out at a sunset over the ocean. The interior of the tunnel is illuminated with warm, golden light, creating a strong contrast with the cooler tones of the sunset outside. The text is centered within the circular frame.

A sunset over a beach with industrial structures in the background and a seagull in the sky. The scene is bathed in warm, golden light from the setting sun, which is partially obscured by clouds. The sky is filled with soft, glowing clouds, and a seagull is seen in flight in the upper left corner. The beach in the foreground is dark, with waves crashing onto the shore. In the background, several industrial structures, including a tall crane and a large tower, are silhouetted against the bright sky.
