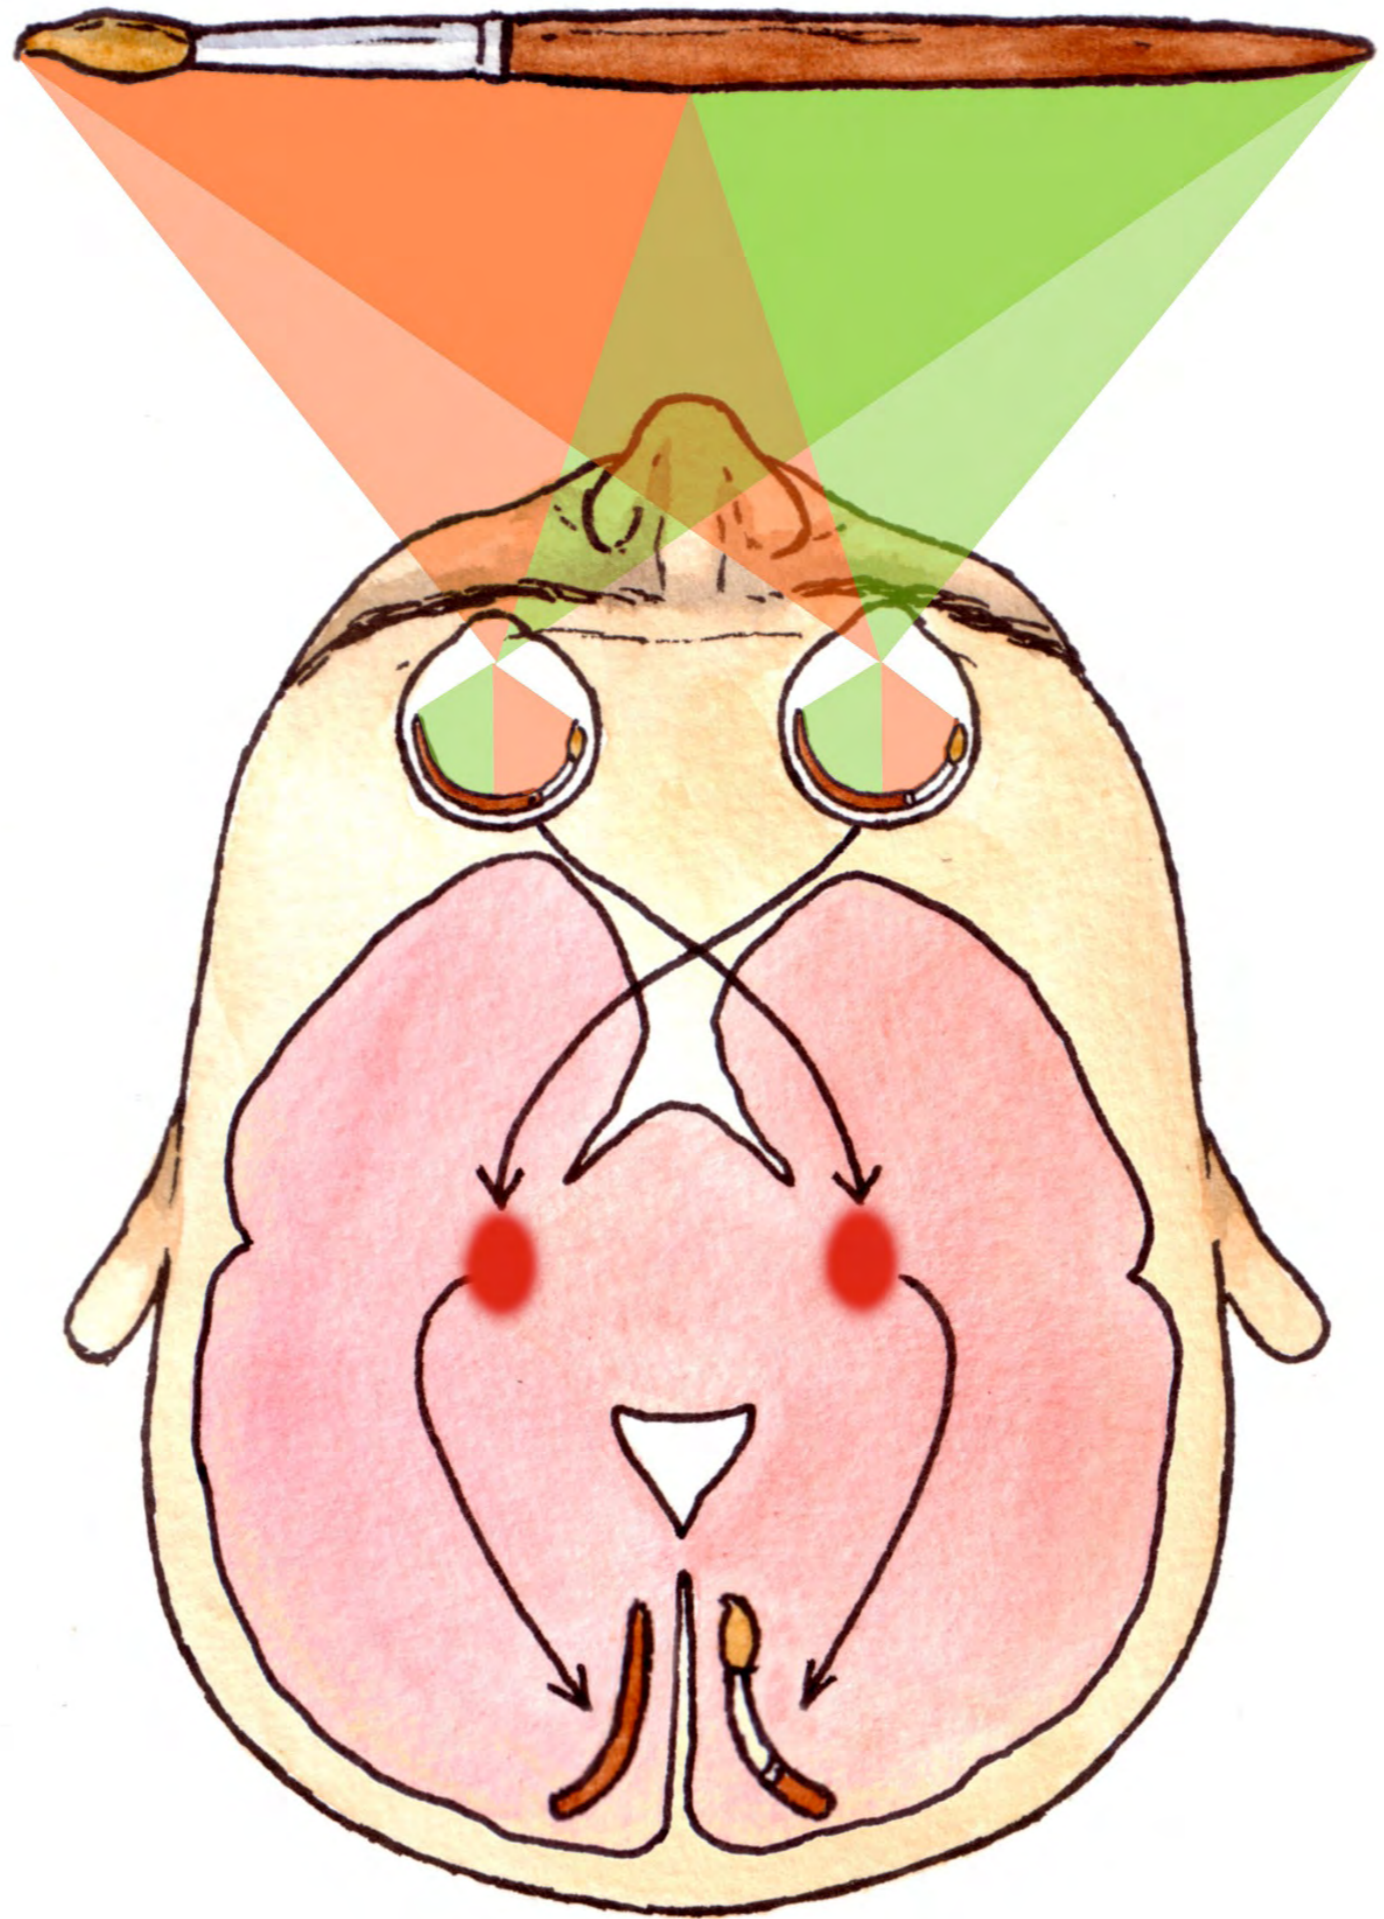

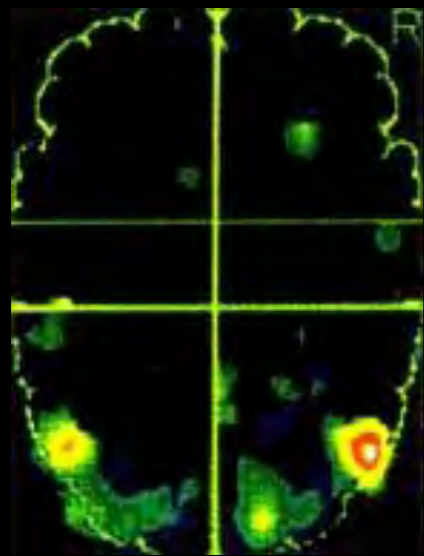

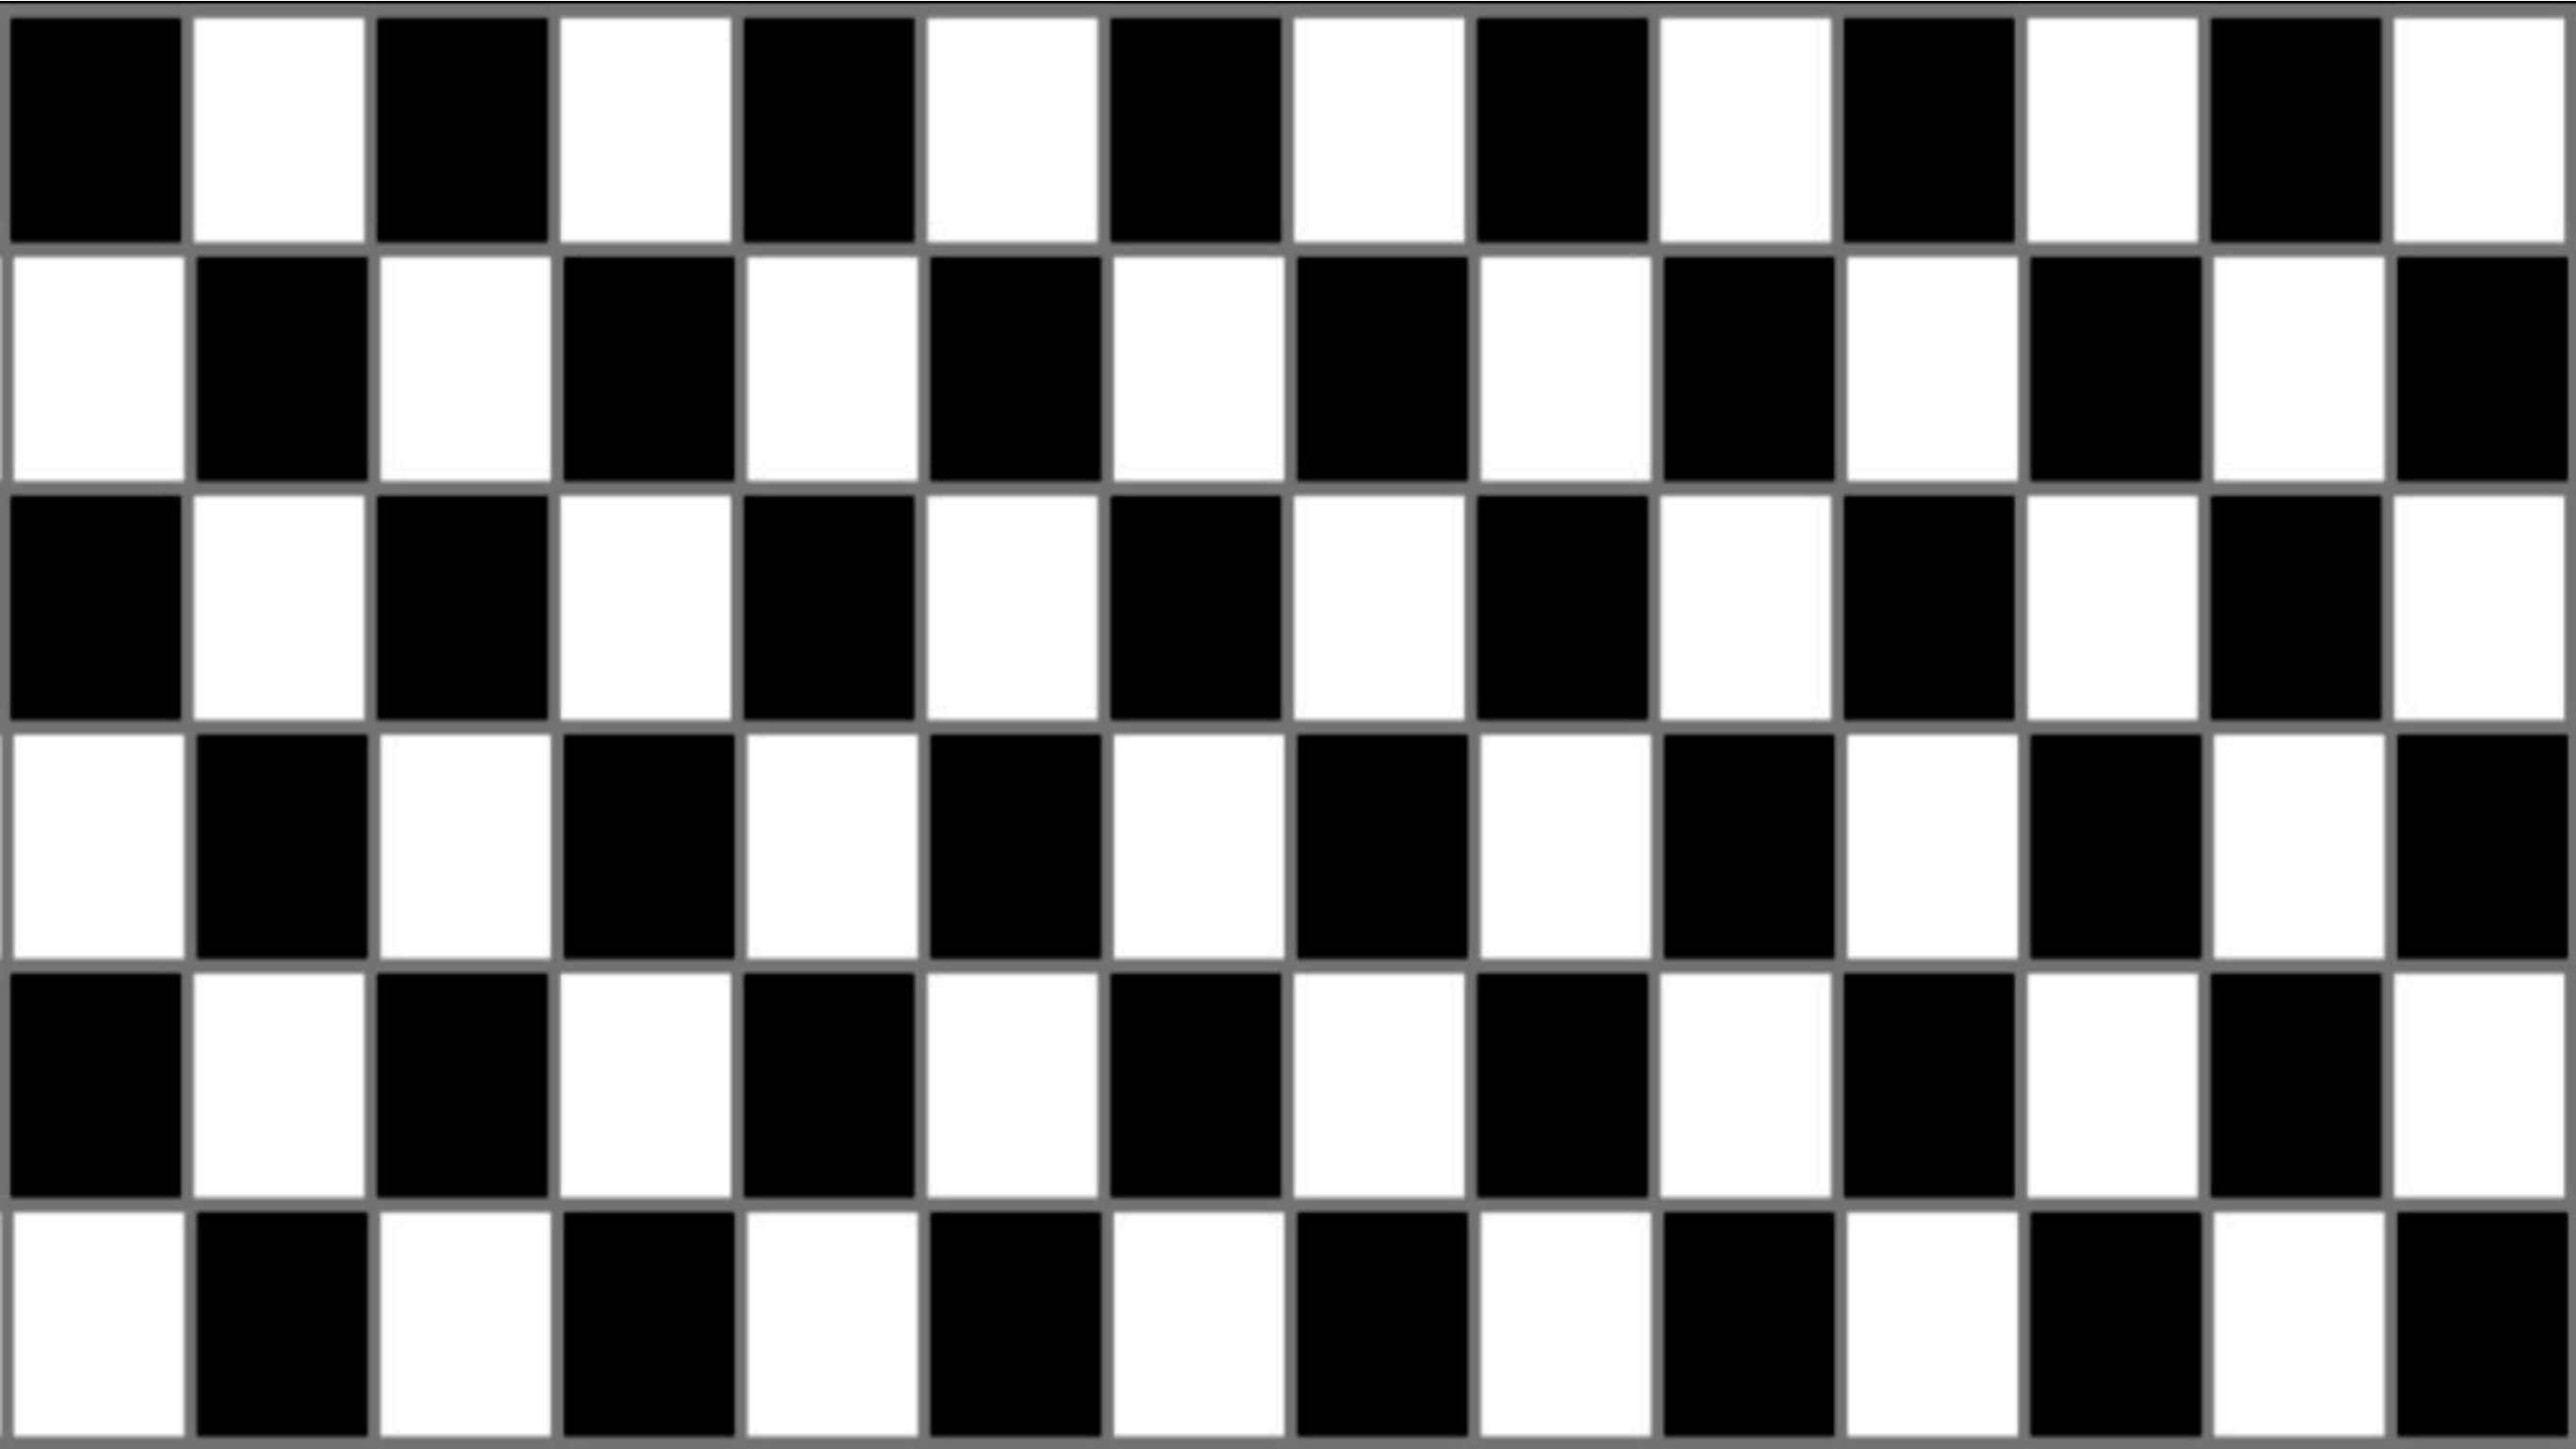

Fig. 1.

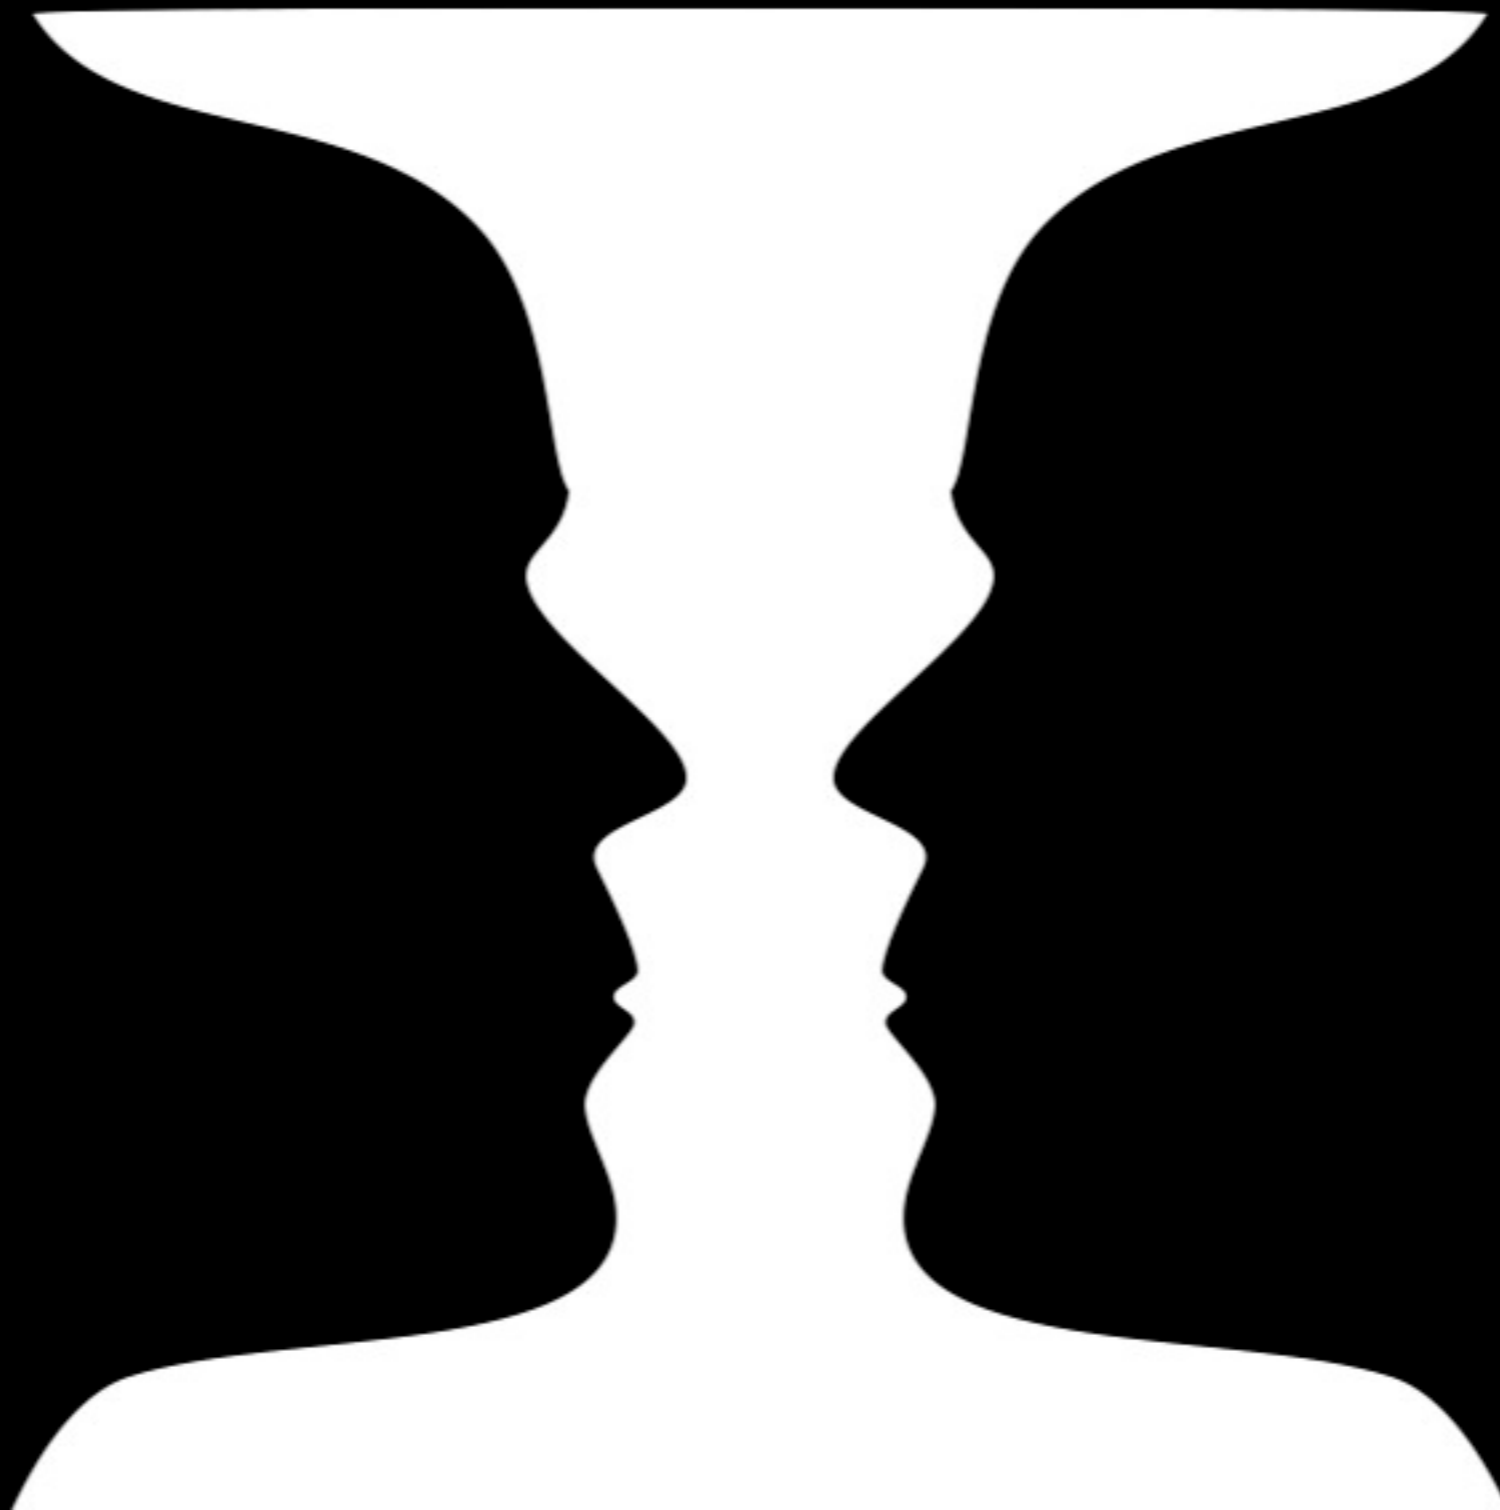

Frau Buchner: auf dem oberen Bilde völlig ratlos gegenüber dem opt. Eindruck eines Schwammes. Sie fragt immerfort: darf ich's nicht anrühren? Auf dem unteren Bilde ist dargestellt, wie sie sofort beim Berühren mit einem Finger erkennt. Sehr deutlich spiegelt sich der Vorgang in der Mimik der Patientin.

Hjernearbejde

A blurred photograph of two people walking on a forest path. The image is heavily motion-blurred, creating a sense of movement and a dreamlike atmosphere. The colors are dominated by greens and yellows, suggesting sunlight filtering through the trees. The word "ADHD" is overlaid in a white, serif font on the right side of the image.
