The second edition of the **TECHNOLOGICAL AND BUSINESS COOPERATION**

EVENT will be held in Valencia on 16th and 17th February 2011, during the joint International Trade Fairs:

- EGÉTICA-EXPOENERGÉTICA: Fair for Energies
- ECOFIRA: International Fair for Environmental Solutions
- EFIAQUA: International Fair for Efficient Water Management

It will consist of an international platform that allows companies and organizations from the sectors of energy, water and wastes, to meet each other in order to begin business co-operations, share innovative technology proposals and seek solutions for new challenges.

Areas of interest:

- Sustainable Production and Distribution
- New Technological Solutions (Energy and Environment)
- Efficiency in Construction
- Efficiency in Transport and Sustainable Mobility
- Urban and Industrial Waste management
- Environmental Management Systems
- Evaluation of Industrial Waste
- Certification
- Recycling
- Eco-Products
- Treatment of Sewage Waters
- Collectors and water purification treatment
- Supply and distribution of water
- Flooding control
- Coastal protection
- Projects financing

PROGRAMME 2011

Wednesday, 16 February 2011

- 9:30 onwards Check-in / Registration
- 10:00–17:00 30-minutes pre-arranged meetings

Thursday, 17 February 2011

- 10:00–17:00 30-minutes pre-arranged meetings

After **the successful experience in 2009, with 200 participants representing companies and entities from the energy sector**, this new edition will assume new challenges. With more than 300 bilateral meetings organized and a 30% of foreign participation, the initiative has become a referent platform where the companies and organizations can offer their innovative proposals, look for technological solutions and start business and technological cooperation.

How to participate:

- Register and submit a cooperation profile online at:
<http://www.enterprise-europe-network.ec.europa.eu/public/bemt/home.cfm?eventid=2460>
- Profiles are published in a constantly updated online catalogue, which is the basis for the bilateral meetings
- Participants select interesting profiles from the catalogue and request meetings, to discuss potential co operations
- A 30-minute meeting is scheduled by the organizers
- Individual meeting schedules will be sent out to the participants a few days prior to the event
